DETAILED ACTION

Reasons for Allowance

1. Claims 2-5, 7-10 and 12-15 are allowed over the prior art of record.
2. The following is an Examiner's Statement for Reasons of Allowance: The Supplemental After Final Amendment, filed 9/30/04, cancels claims 1, 6 and 11 without prejudice to or disclaimer of the subject matter making the rejection of the claims moot as stated in the Remarks of Supplemental After Final Amendment, filed 9/30/04. See page 6, lines 1-14.

Claims 2, 7 and 12 containing the allowable subject matter "a second module to calculate a combined weight; and logic to repeatedly operate the first and second modules to choose additional itineraries from the group of itineraries and calculate their combined weight until an end condition is reached" have been amended to independent form. The remaining claims now depend on these amended claims, thereby putting the application in condition for allowance.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably **accompany** the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
